ANNUAL
REPORT
2020

PRESIDENT'S REPORT

Nicholas Hoare

2020 was the year of years for most of us, but Fraser Hickson with its usual grit survived it.

We turned COVID to our advantage, working behind the scenes, rather than on them, to consolidate our hold on a unique invention that has blossomed, in seven short years, from a solitary partnership with the YMCA into a redoubtable network – the **minibiblioPLUS** project - a hundred branches strong.

If one needed any further proof of concept, this year was surely it. Fraser Hickson's resilience, even in the face of a national setback, has been little short of remarkable, not least to its gratified leader. We have maintained our momentum and refined our game in anticipation of further rollout, both provincially and potentially nationally. Although we shall need further funding to cover our strengthened staff, our coffers have been refreshed; our partners fostered; and our waiting list, post-COVID, bodes well. Our immediate future, however, includes an orderly changing of the guard, and my successor, Celine Cooper, has gallantly consented to take over the presidency. Celine has understudied us with distinction, and Fraser Hickson can look forward to uninterrupted continuity. It can also look forward to refreshment at the board level, to which we have added some younger, female, multi-lingual and multi-cultural voices of proven talent and expertise, providing welcome and timely balance.

In closing, I have been immensely proud to preside over this splendid institution, through thick and thin, as long as I have, but could not have done so without my patient, indulgent, but ever determined colleagues. Having recreated ourselves from a standing start, the turnaround in our fortunes is already remarkable enough, but if a leader's job is to delegate, credit must surely go to our indispensable donors, without whose steady generosity we would simply not exist; a warm and welcoming Borough; a dedicated board, an astonishing staff, and a seasoned CEO, all of whom have put their indelible stamp on an organisation that remains more focussed than ever on early learning, literacy and a lifelong love of reading.

I wish my worthy successor enormously well, and Helen a happy retirement; but to all of you, I tender my warmest thanks for steering the good ship Fraser Hickson through troubled waters into its third, golden, century.

A handwritten signature in blue ink that reads "Nicholas Hoare".

CEO'S REPORT

Helen Fortin

Having had our wings clipped by COVID-19, Fraser Hickson was unable to mark its **135**th anniversary with the fanfare we had hoped for. Still, we managed to celebrate and serve our partners currently running **165** programmes in **100** sites. As I take my leave as CEO and move to the board as of April 1, 2021, I am deeply satisfied with these results. Thanks to our very generous donors we will also be able to continue in our nation-wide venture as early literacy consultants.

To recap: **minibiblioPLUS** enshrines the need for personal communication and sharing of knowledge through an *outreach library format*. We cannot over-emphasize the need to champion libraries. We urge partners to encourage parents to bring books home from our partner **minibiblios** and read to their children for at least 15 minutes a day to kick-start their curiosity and establish a desire for life-long learning. The result is a confident child.

Through the **Early Literacy Component** our volunteers read to children and professional staff provide workshops for parents. If we are able to help motivate parents regarding the benefits of reading to their children from Day One, and even before, the child is bound for success. We all stand to gain as our culture and economy flourish. A literate society is a healthy society!

Very special thank yous go to:

John Dinsmore, Past-President of the board (2000-2015) and long-standing board member, who has been my ever-loyal and sage mentor. Throughout the years, he has always treated me with the utmost respect - crucial for a woman leading the troops even in this day and age. Nicholas Hoare, Past-President (2015-2020) who was not only my boss but became one of my dearest friends. One is never bored working with Nicholas; no one has ever made me laugh so much or given me such good book suggestions! Pierre Chanzonkov, Arthur Schweitzer, Simon Abou-Fadel and Isabelle Laflèche for always being on the ground when I need them. François Morin, whose astute observations about the way people think helped me a great deal, and John Hussey for his 'sparring' personality. I'm grateful for our brilliant in-house and story-time volunteers for bringing to the table their own brand of 'special'. Raymond Carrier of the CDN/NDG borough with whom I spent many hours strategizing, laughing, and working very hard. My precious staff, past and present. I will forever miss my dearest Alan Lindhorst.

As we move into 2021, I thank in advance our new board members: Gillian Aitken, Kate Shingler, Elysia Bryan-Banes, and Celine Cooper - our first female President and Chair of the board in 135 years! One of my personal missions as President of Diversity and Inclusion on the Association of Fundraising Professionals (AFP) board was to have gender parity on our board and now we do.

Celine will be a leader like no other. I could see this when I approached her four years ago. She is insightful, thoughtful and brilliant. It will be an honour and a privilege to continue serving this great Institute alongside her.

It has been my utmost pleasure to serve my board and community. To our Honorary Board, our precious donors, partners and affiliates and the many, many friends I've made along the way, we would be nothing without you!

Au revoir mes ami(es)! And don't forget to read to your kids!

Helen Fortin

TREASURER'S REPORT

for the year ended December 31, 2020

Pierre Chanzonkov

Despite the challenges that 2020 has brought, we experienced a fifth straight year of growth, reaching a steadily growing number of children and parents. We expect this growth to continue into 2021.

Our exceptional growth in revenue of nearly 58% over last year resulted from a one-time extraordinary gift from the estate of Anne E. Joseph, as well as the addition of new donors and the continued contributions of faithful multiyear donors. Furthermore, even without this one-time estate gift, our revenues increased by 21% over 2019.

Administrative costs were reduced by 28%, and human resource costs decreased slightly as a result of the continued efficient management of our resources.

We are also delighted to benefit from a continued and most welcome cooperation with the Borough of CDN/NDG and the City of Montréal. We continue to look forward to a bright future welcoming new leadership.

Respectfully submitted,

In Memoriam

Anne E. Joseph

Anne E. Joseph was born in 1935 in Portsmouth, England and moved to Montreal in 1959. Her career was in medical research and business and she was heavily involved in research and writing. She married William K. Joseph. She was a very dear friend to the Fraser Hickson, and it is thanks to her very generous gift of insurance to the library that we survived COVID 19 as well as we did. I spent a number of afternoons with Anne having tea and listening to her stories about England and her love for NDG and the library. I will miss this lady a great deal as she was honest, kind and appreciative of all that is good.

Helen Fortin

WHAT DO YOU THINK OF **minibiblioPLUS**?

THE ROSSY FAMILY FOUNDATION, Cookie Rossy

*Congratulations to Fraser Hickson on implementing a successful **minibiblioPLUS** program focusing on the concept that **children are born to read!** Literacy influences well-being and is closely linked to nearly all the major determinants of good health identified by Health Canada. I champion, as should others, Fraser Hickson's emphasis on reading to children in the **First 1000 Days of Life** to ensure Canada's cultural and economic prosperity!*

GARDERIE MA PETITE ÉCOLE SNOWDON

Natacha, Parent

*Merci **minibiblioPLUS** ! Je raconte vos histoires tous les jours en arrivant et en quittant la garderie Ma petite école Snowdon. C'est un **rituel** proposé par ma petite Clara qui vit ces **moments de transition** et de séparation tout en douceur et sans pleurs grâce à ces petits **moments d'intimité**. Son grand frère que j'accompagne ensuite à l'école partage le bonheur de sa petite sœur. Continuez ainsi à rendre les enfants (et leurs parents !) heureux. BRAVO !*

CCS HEAD START PROGRAM, LASALLE

Stephanie P, Parent

"The Storytime videos are helping my child's overall health because they get to see someone talking to them, spending time listening to the story and then we get to talk about it. What did you see, what did you like about it? Gets them away from screen time."

NDG YMCA, Geraldine Pettersen, Parent

*Reading books with our kids is something we value and Emile is always excited to have to pick a "new book" every Monday. **Emile comes back home anxious to share this new story with us.** He even picks the same books over and over again and we get the sense that he is attached to these books.*

GARDERIE HARMONIE D'ENFANCE, Parent

***My child absolutely loves the library service that Fraser Hickson offers at her daycare!** We are so happy that the library comes to us each week and we have many exciting books in French and English to read each week! Thank you for this wonderful program!*

SERVICE DE LA CULTURE, VILLE DE MONTRÉAL

Louise Labory, Ancienne Directrice, Bibliothèques

*Je félicite la Fraser Hickson pour ses services innovateurs de **minibiblioPLUS** en partenariat avec des institutions communautaires à travers notre ville. **C'est une addition importante à notre environnement formatif pour stimuler la lecture et le développement de nos compétences en littératie.***

BIBLIOTHEQUE KAHNAWAKE LIBRARY

Melanie Phillips, Chief Librarian

*The collaboration between the Kahnawake Library and Fraser Hickson has been **tremendously positive.** The Kahnawake Library has benefited through Fraser Hickson's provision of books for patrons to keep and those that could be borrowed from the Library. **The affiliation provided the opportunity for one of our former book club members to attend Michelle Obama's show in May of 2019 with the Fraser Hickson staff. Our staff and patrons are very appreciative of their services.***

GARDERIE VENDÔME, Carmen D'elia- Owner

Sabrina Jouanneau-Director

*Thank you for thinking of us and arranging a story time at the daycare (**with NDG Mayor Sue Montgomery**). We really appreciate all the hard work you and the staff at Fraser Hickson do for our children. We hope we can continue this great partnership for many years to come!*

JAMAICA ASSOCIATION OF MONTREAL

Susan Hamilton, Program Coordinator

*The early literacy workshop was **informative, thought provoking and enlightening.** Parents were surprised to learn that they should be reading to their children even when they are pregnant. There was a lot of helpful information about how important literacy is and how easy it is to incorporate in our daily lives.*

IMAGINATION WEST

Megan Thomas, Executive Director

*They provide **exactly the right books for the appropriate ages.** It is a pleasure to be working with the people at Fraser Hickson.*

LIMMUD Centre

Devora Feldman, Executive Director

*Fraser Hickson's **minibiblioPLUS** service has provided our homeschoolers with **access to a rich variety of books on a regular basis.** Having easy access to high quality books has cultivated a love of reading with all our children. Thank you!*

GARDERIE LE PARC D'ENFANTS / KIDS PARK

Tania Calderi, Director

*We think **minibiblioPLUS** has been **a great addition to our daycare and the kids love the animated story time, they look forward to it once a week.** The children have extra books to learn about the different themes we cover each week.*

GARDERIE HARMONIE D'ENFANCE

Laura Morency, Director

*We decided to set up the library every Monday to take out books and return as our space is limited but boy did it go over well with the parents! Thanks again for the wonderful program. Everyone here at Garderie Harmonie is so very happy with it. I even had some of our **5 year olds give a hand in helping the kids and parents choose books. It was awesome. They were so excited!***

GARDERIE METROPOLITAIN

Steven Lowi, Director

*We have been reading to the children daily and loaning out to the parents so that they can continue at home with the gift of literature. The volunteer that comes once a week to read a story is the **icing on the cake!** ...we truly appreciate **the noble mission you carry out in providing books to the children and families of our daycare at no cost.***

ACADEMIE PRÉSCOLAIRE MON DÉPART

Sofia Alvarado, Directrice

*Je pense que c'est une activité enrichissant spécialement en 2019 ou les enfants ont exposé à la technologie, **le programme leur donne un accès facile aux livres et les stimule et aide à leur développement.***

NDG DAYCARE, Ibra Diop, Director

The NDG Daycare, parents and kids give **four thumbs up to minibiblioPLUS** for providing diversity in reading and bringing new love for storytime!

CPE LE GARDIEN DES RÊVES

Nora Guélila, Directrice Générale

*Nous sommes très contents d'avoir l'occasion de travailler avec vous au niveau du CPE, on est satisfait de pouvoir profiter de ce programme, car il permet à nos familles d'accéder aux livres plus facilement et de façon régulière. C'est un véritable service de proximité à la porter des familles. Avec **minibiblioPLUS, plus d'excuse pour ne pas lire d'histoires aux enfants!***

CPE LES P'TITS PROFS , Lisa Comerford, Director

*Fraser Hickson is able to meet our emergent curriculum goals by asking us for topics and themes we want to explore and offer to do research if needed!! They provided us books in both French and English and the program **has, as an added benefit, the ability to foster relationships with our parents.***

Shamim Khan, (30 years), Processing

*Fraser Hickson is like part of my family! It is such a joy to process books that I know will help improve the literacy challenge in our youth in our country through the **minibiblioPLUS** project! **It is an honour to be part of this original and unique initiative.***

Tom Bagg, Deliveries and collections organizer

*I look forward to working with the staff in carrying out their most important Mission in providing access to books and animation services for those who need them the most via the **minibiblioPLUS** project. **I love being part of the team!***

Angela Rahaniotis, Processing and deliveries

*I especially enjoy delivering books to our partner sites because **I get to see the enthusiastic response to our program.** I believe that children should be exposed to books as early as possible. It's a great opportunity for people who love books and want to **see the positive impact they have on early childhood development.** Let's spread the love of reading!*

Alexandra Marie Chartrand, Processing

*I am so proud to be a part of the **minibiblioPLUS** project! Helen and her staff are extremely hard working and their passion for the library's mission is reflected in the work they do. From storytelling to helping to processing books, **it's rewarding to know that there is a child out there benefiting from the program!***

Adrian H. Dragan, Animation

*It has been a privilege, a joyous and educational experience! **I feel together we have made both a positive contribution in initiating children into literature while making them laugh.** My approach has always been to fit the child's joy harmoniously with literature. Working with children requires **BALANCE** between **DISCIPLINE** and their beautiful, innocent and powerful **ENERGIES!***

Christopher, Animation

*"I've been having so much fun reading for **minibiblioPLUS** these past months. Reading for someone is such a joy; transmitting stories to children has been a human tradition since time immemorial and carrying on that tradition is an honor and a privilege **Being able to read and write remains a concern worldwide, so being part of a solution is surely important...**"*
