APRIL 2022

NEWSLETTER

Dearest partners,

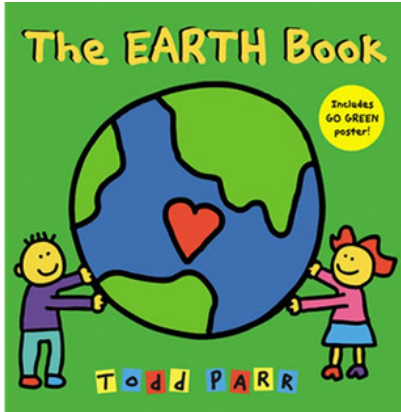

April 24-30 is National Volunteer Week!

The National Volunteer Week theme for 2022: *Volunteering Is Empathy In Action*. This profoundly human connection is at the heart of our **minibiblioPLUS** outreach programs. We are extremely grateful to all our volunteers who help us change young lives one book at a time! This includes, library volunteers, delivery volunteers, story-time animation volunteers as well as our board of directors. We are thankful for their time, commitment and contribution to our mission to raise literacy levels by empowering partners to instill in children a life-long love of reading and learning from birth while enabling free access to books and animation services.

Our volunteers are what makes **minibiblioPLUS** the incredible organization that it is. From the very beginning, when they enthusiastically take part in their training, to their never-ending commitment to spreading the joy of reading, they continue to give it their all. Come rain, storm or pandemic, our volunteers never cease to lovingly give their time to our cause! We are so grateful for the energy, dedication, and magic each and every one of them brings to our organization.

VOLUNTEER OF THE MONTH FOR APRIL

“ The volunteer work I get to do as a **minibiblioPLUS** volunteer perfectly combines my passion for reading and my love for children. With my background in theater, I am able to create unique moments and connections for the kids each week. Access to reading at an early age is essential for the development and literacy of the very young and it also opens the door to curiosity, imagination and exploration. The smile and the children’s sparkling eyes during story time are the most beautiful gifts.

Storytime volunteer
