

Origami Book Suggestions

Yoko's Paper Cranes, by Rosemary Wells

Age 3-5

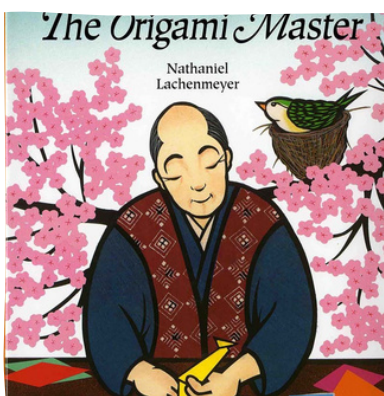

A charming book about family bonding through shared customs and memories.

More-igami, by Dori Kleber

Age 4-6

A humorous modern story with fantastic illustrations and a step-by-step tutorial at the end!

The Origami Master, by Nathaniel Lachenmeyer

Age 6-9

Building friendships is not easy. It requires patience. Will an origami master be patient enough to befriend a bird who took interest in his skill?

Nao et ses origamis,

by Céline Lavignette-Ammoun

Age 3-5

Imagination-spurring book, poetic and delicate. Multiple step-by-step origami tutorials included!
