SEPTEMBER 2022

NEWSLETTER

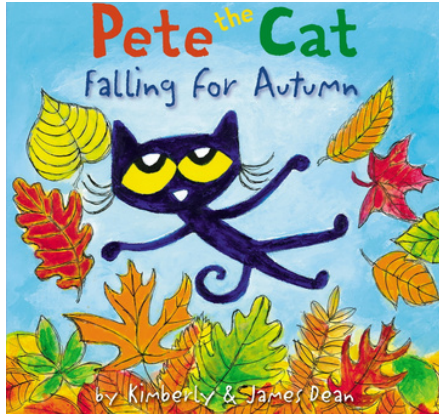

Dear Partners,

As we celebrate the month of September, let's all take a moment to recognize that, for the first time in 2 years, we are not experiencing any Covid shutdowns; either at school, at work, or in our personal lives. As such, our team at **minibiblioPLUS** has been busier than ever! **minibiblioPLUS** is on the cusp of confirming our 160th partner location, and our Library is both well stocked and organized to welcome our new partners!

A special thank you goes out to our extended family, all of our volunteers who have contributed to **minibiblioPLUS** throughout 2022; your hard work and dedication have made a difference in changing thousands of young lives, one book at a time!

VOLUNTEER OF THE MONTH FOR SEPTEMBER

I count myself to be lucky because, as a child, my mother brought me to our local library every week. I loved the quiet of the library, being surrounded by books, and getting to take home a stack to read at home. The library gave me access to a seemingly endless collection of stories to get lost in. I know that not every child has the same opportunity and that many don't get the chance to visit the library in their neighbourhood at all. I therefore love the fact that **minibiblioplus** brings the library to these children. I very much enjoy volunteering in the **minibiblioplus** library—all these years later and I still love books and reading and libraries. Every child should have access to books. I like knowing that the volunteer work I do in the library adds up and contributes to childhood literacy in my community.
