

## Birds Book Suggestion

***Birds A to Z***, by Chris G. Earley

Age 8-12

*A beautifully illustrated dictionary of 26 birds. Accurate and up-to-date but with an informal presentation, this book is an engaging view into the avian world.*

## Activity

### Montreal area:

Together with your family, explore the [Parc des Rapides](#) bird sanctuary.

Enjoy a view of the river and the Lachine Rapids and discover more than 225 bird species, including the largest heron colony in Québec.

**How to get there**

### Outside Montreal area:

Together with your family, plan an outing to your local park to observe birds in their natural habitat.

**What to bring:** *Birds A to Z*, binoculars
