The Ants Go Marching

by Priscilla Burris

Ages: 1-4 years

Preschoolers will delight in this fun, repetitive rhyme with adorable ant characters. Watch as they march one by one and two by two – all the way up to five by five – toward a surprise ending!

Activity

Pick a sunny day to have a picnic together in the park. You will need a picnic blanket to sit on, food and drinks, games for the park and a book. Involve the children in the preparation process. Which foods will you bring? What are the differences and similarities between your picnic and the picnic in the book?
